For a single-user licence the price is fixed at 155 EUR. The cost of each additional single-user licence is fixed at 80 EUR. For those who already are registered users of SNS-Greek & Latin for Macintosh or for Windows, the price is 50 EUR for the first single-user licence and 80 EUR for each additional licence.

Undergraduate and PhD students can purchase the first single-user license at 25,00 Euros. **Student licenses can only be purchased by students with proof of eligibility only (e.g. student ID, certificate of student status issued by the University) which has to be sent together with the order form.** Student licenses are personal licenses and can not be purchased by or through institutions or organizations. A program purchased under a student license must NOT be installed on an institutional computer.

The price including only the SNS-E indexes for TLG E is fixed at 80 EUR.

N.B. The SNS-E indexes require SNS-Greek & Latin 2.1 for Windows or SNS-Greek & Latin 6.1 for Macintosh which must be purchased separately at the prices above. The single-user licence does NOT include the SNS-E indexes. Macintosh users who already possess the CD SNS-E can use it in conjunction with SNS-Greek & Latin 2.1 for Windows or 6.1 for Macintosh.

Please note that the software must be activated. In order to do this, the "Machine Reference Code", which you will get as you first run the program on your pc, must be communicated to the LILA, either by email or by phone.

The price of the site licence, which allows 50 installations at most, is 930 EUR. The price for users who already possess a site licence for the Macintosh version of SNS-Greek & Latin is 515 EUR.

The price of the site licence includes the CD-ROM SNS with TLG 'E' indexes.
